BOARD OF TRUSTEES

University of Wyoming

The University of Wyoming is a state institution by a provision of the Constitution of Wyoming. It is supported by the state of Wyoming and by the United States, and is nondenominational and nonpartisan. Its government is vested in the Board of Trustees appointed by the Governor of Wyoming with the consent of the State Senate.

First Row, left to right: Harold F. Newton, president of the Board of Trustees; Dr. John T. Fey, Reverend John H. Ashley. Second Row: Joe H. Watt, George J. Millett, Russell I. Laird, Roy Peck, Harold E. Brough, John A. Reed, Governor Clifford P. Hansen, L. W. Jones, Roy Chamberlain, J. M. McIntire, Robert S. McCracken, C. Thomas Morgan, Cecil M. Shaw.

President and Mrs. Fey

Governor Hansen, Dr. Bill Mulloy,
President Fey, John Hursh

UW'S NEW PRESIDENT

On December 12, 1964, Dr. John T. Fey was formally inaugurated as UW's fourteenth president. Born in Hopewell, Virginia, the new president succeeded G. D. Humphrey, who had served as UW's top administrator since 1945.

Dr. Fey completed his undergraduate studies in pre-law at Washington and Lee University, and received the LL.B. degree from the University of Maryland, the MBA from Harvard University, and the doctor of juridical science degree from Yale University. He has received honorary doctor of law degrees from Alma College and Middlebury College.

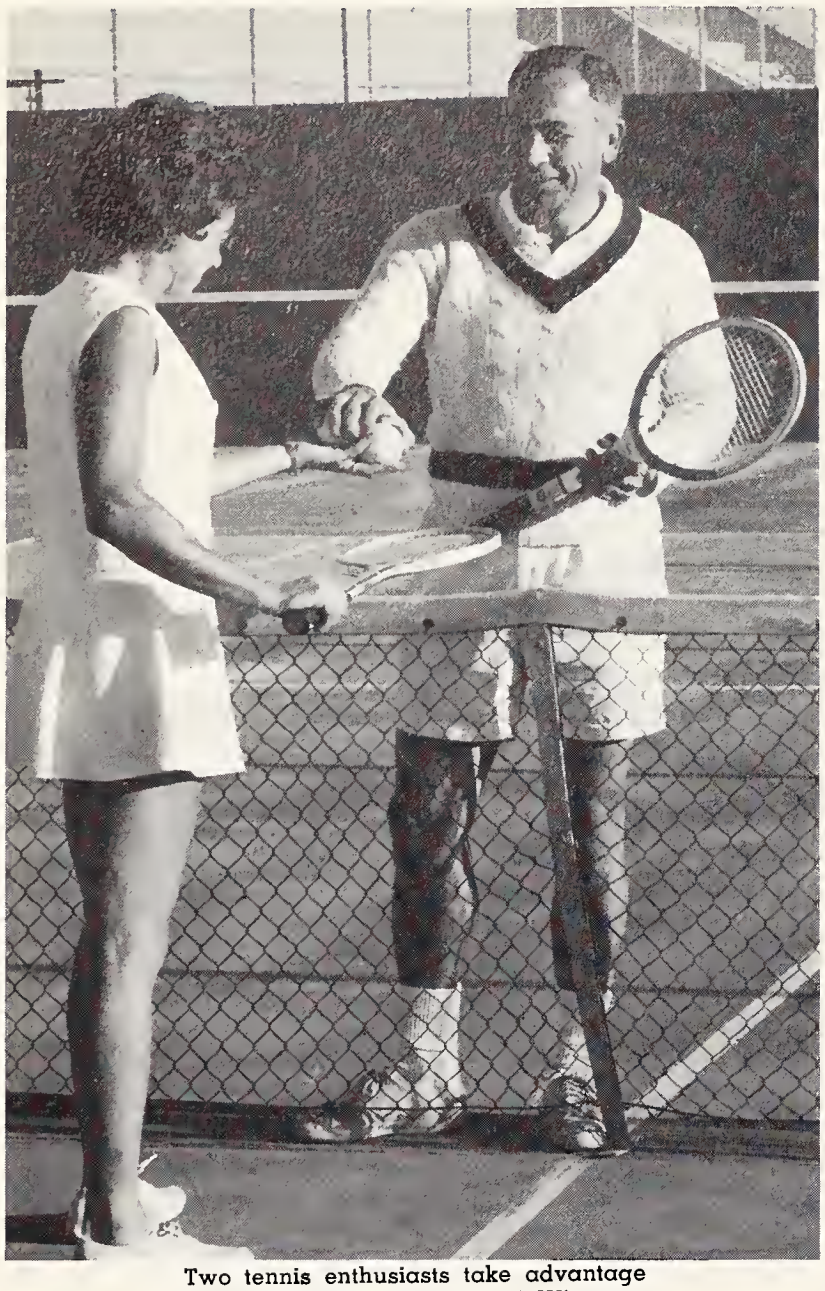
Fey served as dean of the George Washington University Law School for three years, clerk of the United States Supreme Court for two years and president of the University of Vermont for six years, prior to assuming the presidency of the University of Wyoming.

President Fey's plans for UW's promising future include a "long-range academic planning program," to provide for the academic needs of all the individual departments, both immediate and projected; and a campus planning committee to deal with UW's developing building needs. Said Fey, "Faculty, facilities, and housing must be made ready to meet the demands as they arise, . . . and this means planning with a capital 'P' "

President Fey speaks to Wyoming newsmen at the State Press Convention in Cheyenne.

The new prexy's job does not end when he leaves the office—Dr. Fey looks over a problem at his desk at home.

DR. JOHN T. FEY



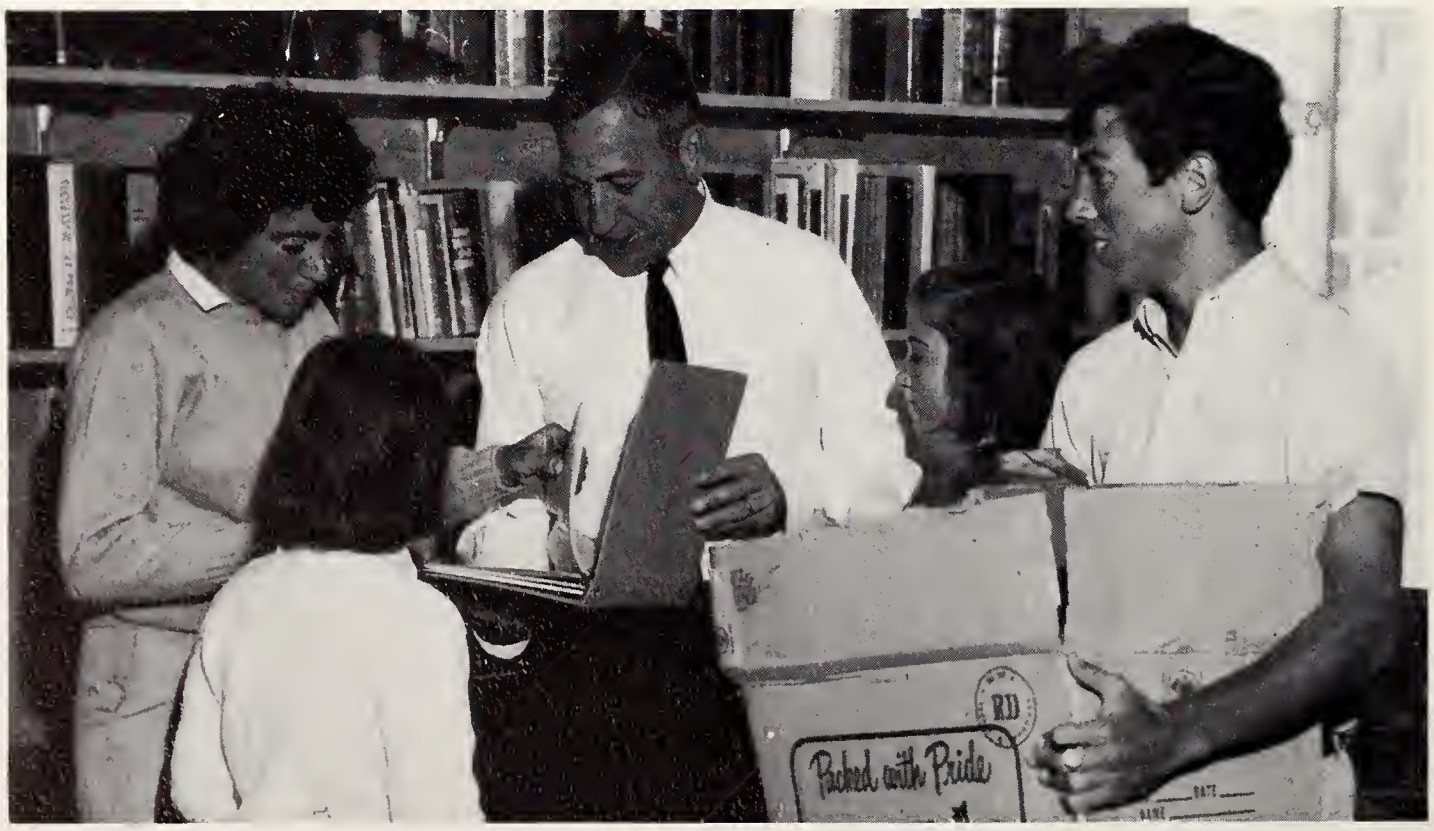
Two tennis enthusiasts take advantage of a sunny afternoon on UW's new tennis courts.

President and Mrs. Fey greet a faculty member at the Faculty Reception in Crane-Hill Cafeteria.

Aside from his official duties, Dr. Fey's energies are divided among his roles as husband, father, and sportsman. Both he and Mrs. Fey are avid enthusiasts of Wyoming's favorite winter outdoor sport, skiing.

The first lady of the University of Wyoming, Mrs. Barbara Fey, is an attractive and versatile person. She combines homemaking with a successful career of designing, manufacturing and selling ski parkas. With an active, growing family including John Jr. 17, Andrea 11, and Kim 9, besides her interest in sports, Barbara Fey would testify to the fact that "woman's work is never done!"

The University of Wyoming is proud to welcome its new president and his charming wife to Laramie and extends its best wishes for continued success.



Dr. and Mrs. Fey, Kim, Andrea and John Jr. all agree that moving is a mess!

Dean of Women

DEAN MARGARET TOBIN

A new face appeared behind the desk in Room 310 of Old Main this year. Miss Margaret Tobin, a tall, attractive, brunette, formally assumed her duties as Dean of UW women on July 1, 1964. Miss Tobin hails from Casper and is a former UW student, earning a Bachelor's Degree in Commercial Education and a Master's in Educational Guidance.

Dean Tobin spent a busy first year acting as ex-officio advisor to AWS, Spurs, Chimes, and Mortar Board. Other duties included supervising and counseling UW coeds and advising house and dorm mothers as to their responsibilities. One of the goals of the new dean is establishing uniformity among dorm and sorority house regulations and restrictions. With the future erection of several new dorms on campus, this should prove to be a taxing job. We are confident Miss Tobin will be more than equal to her task, and we welcome her to UW.

RICHARD E. KINDER DEAN OF MEN

Besides acting as an advisor to IFC and Student Senate, Dean Kinder counsels fraternities and dormitories about their organizations and advises in policy changes.

Since July 1962 Richard E. Kinder has been influential as the head of disciplinary decisions, requirements for the Dean of Men's Honor Roll and establishing some housing regulations. Dean Kinder also oversees the organization and growth of new fraternities on the UW campus such as the 1964-65 development of Theta Chi and Delta Sigma Phi.

New programs planned for men's dormitories include a monitoring system which includes academic help for troublesome subjects, and more emphasis on intramural sports among the living groups.

The Dean capably handles this big job of supervising and counseling UW's 3,000 men students as is proven by the usually smooth running office, and increasing enrollment.

Student Senate

1964-65 has definitely been one of the most progressive years for UW's Student Senate. A more liberal absence policy was drawn up and approved by the Senate, President Fey and some faculty members. The Senate campaigned for the right of bringing in more controversial speakers, and they won as testified by such lecturers as Andre Phillipe and the late Peter Howard.

A legislative visit and tour of the campus were also conducted by Senate. Members pointed out various spots of interest to visiting legislators and answered questions about the kind of academic and social life that UW offers. A gubernatorial banquet was held in the spring with Governor Clifford P. Hansen speaking on Palm Sunday.

To clarify voting procedures, all elections must meet with senatorial approval. This was a big step toward better and fairer elections.

In the social world for Wyoming students the Senate sponsored such outstanding entertainers as the Serendipity Singers, the Rooftop Singers and the famous jazz musician Ahmad Jamal. Without the Senate's influence, work and finances, UW students would have missed the opportunity of seeing some of the better professional entertainers.

Throughout the years Student Senate has been influential and hardworking for better relations between students, faculty and administration. Under the direction of ASUW president John Hursh and vice-president Bob Steen, 1964-65 has been an excellent example of their success.

Kay Smith, President

The Panhellenic Council of UW began the year with a rush workshop preceding and organizing the activities of Rush Week. Other events held throughout the year served to fulfill their purpose which is to, "Maintain on a high plane fraternity life and interfraternity relations within our college and to work for the good of the university and all its women students."

This year Panhellenic and IFC combined efforts to sponsor an all Greek exchange dinner followed by activities at various houses such as ping-pong, card-playing, and dancing. In the spring, sororities and fraternities, again under the joint leadership of the Panhellenic Council and IFC, sponsored Greek Week, which helped to establish a stronger relationship among all Greek organizations.

Officers this year included: Kay Smith, President; Helen Augsbach, Secretary; Judy Sasse, Treasurer; and Jeanne Talagan, Junior Panhellenic Advisor. The sponsor for the organization was Mrs. John Bellamy.

Junior Panhellenic is an organization consisting of one delegate and the president from each sorority pledge class. It was founded on this campus two years ago with its purpose similar to that of Senior Panhellenic — to promote the Greek system and to develop a better working relationship among the Greek organizations.

Activities of the group included a chili supper, various work projects throughout the school year, and promotion of public relations among the sororities and fraternities by assisting with plans for Greek Week.

They meet twice a week under the leadership of Kay Erickson, President; Jackie Strang, Vice President; Suzie Beers, Secretary; Sally Howard, Treasurer; and Jeanne Talagan, Advisor.

An Hawaiian setting was the background for the Alpha Chi pledge dance, sponsored by the actives for their large pledge class. In return, the pledges held the Spring Formal in April. Other events throughout the year included a Dad's Day, a Mother's Day, a slave sale with proceeds going to the Cathedral Home, and a celebration of Founder's Day.

Members of Alpha Chi are active in many UW organizations and placed second in their division in the Homecoming Sing. Originally founded as a music sorority, its function now is to develop scholastic leadership in all fields as well as cultural attributes of young women.

Officers of Alpha Chi Omega this year included: Wadetta Ricketts, president; Kyle Herman, 1st vice president; Karen Denton, 2nd vice president; Martene Ponder and Diane Robles, secretary; Molly Meyers, treasurer. Their house mother is Mrs. Bessie L. Eby.

CHI OMEGA

Chi Omega pledges hosted a get-acquainted party for all the other sorority pledges in the fall. The Chi O's have also been busy giving dances, teas, special Christmas parties, and planning a rush retreat. Pledges and actives alike periodically select a Chi O Crush who is a special fellow to all the girls. Busy is a good adjective for the UW Chi Omegas.

Amid all the work and fun, the Chi O's still find time for scholarship and proved it when the active chapter was second on campus last year, and the pledge class placed third at the 1964 Torchlight Laurels Ceremony.

Officers included: Jean Dickinson, President; Nancy Thompson, Vice President; Mary Darling, Secretary; Sharon Bertram, Treasurer; Mary Ann Riedel, Pledge Trainer; Jacque Cheese, Rush Chairman.

DELTA DELTA DELTA

Delta Delta Delta, the second sorority established on the UW campus, purposes to build stronger friendships, better scholarship, and more womanly character. These goals are capably met by the Delts as proven by the many outstanding girls in various campus organizations including such honors as Who's Who, Greek Week, and pepsters.

Singing is quite popular in the Tri Delt house, and some of the active members have formed the Deltones, a singing group which was in the cast of Wyo Days Tour. The sorority also placed third in the Homecoming Sing.

Officers included: Donna Whittington, President; Ginny Lee, Vice President; Nancy Gwinn, Recording Secretary; Lana Cable, Pledge Trainer; Sally Doyle, Treasurer; and Sally Davidson, House Manager.

1964 was a big year for Kappa Delta sorority as it marked their 50th anniversary on this campus. Reunions and special parties honoring alums and introducing present members were held to celebrate their 50 years of scholarship, gracious living, and activities.

At Homecoming this year, the KD's placed first in the sorority division of the float competition. Also in the fall they were hosts for their annual Emerald Ball at which their pledges were introduced. Combining fun with charity, the sorority jointly sponsored a Christmas party with Kappa Sigma fraternity for the welfare children in Laramie.

Officers this year included: Linda Stanfield, President; Sherry Lee, Vice President; Madge Hillstead, Secretary; Connie Eckhardt, Treasurer; Cheryll Silver, Assistant Treasurer; Lynn Sannes, Editor; and Karen Spence, Membership Chairman.

Omicron Chapter of Kappa Kappa Gamma on the UW campus was the runner up to the Scholastic Award and the recipient of the Gracious Living Award at their National Convention this past June in Sun Valley, Idaho. Wyoming Kappas are a lively group on campus, too, with members participating in most UW organizations. The many activities of Kappa Kappa Gamma include the Monmouth Duo with the Pi Phis, Mother's Day Luncheon, Dad's Day, and their spring formal.

Chris Davis presides this year with Linda Porter, 1st Vice President; Judy Troxel, 2nd Vice President; Cherie Keys, Corresponding Secretary; Theo Strannigan, Recording Secretary; Roseva McDaniel, Treasurer; Cheryl Houlette, Social Chairman; Andrea Ward, Pledge Trainer; Joan Hunter, Scholarship Chairman. PI BETA PHI

ΠΒΦ

The traditionally old castle of the Pi Phi house, built in 1931 on the UW campus, had a surprise this past summer in the form of a complete redecoration. From the topmost room on third floor to the basement chapter room, the house was transformed from an almost medieval castle to a Mediterranean theme, accented with blues, greens, and purples.

This year at Homecoming, the Pi Phi's candidate Helen Bishop was runner up to the queen. Pi Phi's are also very active in UW honoraries, social organizations, Senate, and campus affairs. The dance of the year for both Pi Phi's and Kappas was the Monmouth Duo at which pledges of both sororities were introduced. Other activities included a Christmas party with all toys donated to the Laramie Orphans' Home, a spring formal and a scholarship-rush retreat at a dude ranch in Colorado in the spring.

Officers included: JoAnn Simmons, President; Alison Tyler, Vice President; Bernie Nein, Pledge Trainer; Marilyn Decker, House Manager; Penny Smith, Social Chairman; Margie Clute, Scholarship Chairman; Jan Supon, Treasurer; Judy Van Buskirk, Recording Secretary; Adele Heink, Corresponding Secretary.

KNIGHT HALL

Miss Francis E. Meiller, dorm director

Emma Howell Knight Hall, built in 1941, is not the newest dorm on campus, but the co-eds who live there would never trade with those in the newer ones. Some of their activities during the year include weekly teas, a winter dance, and several functions with other dormitories.

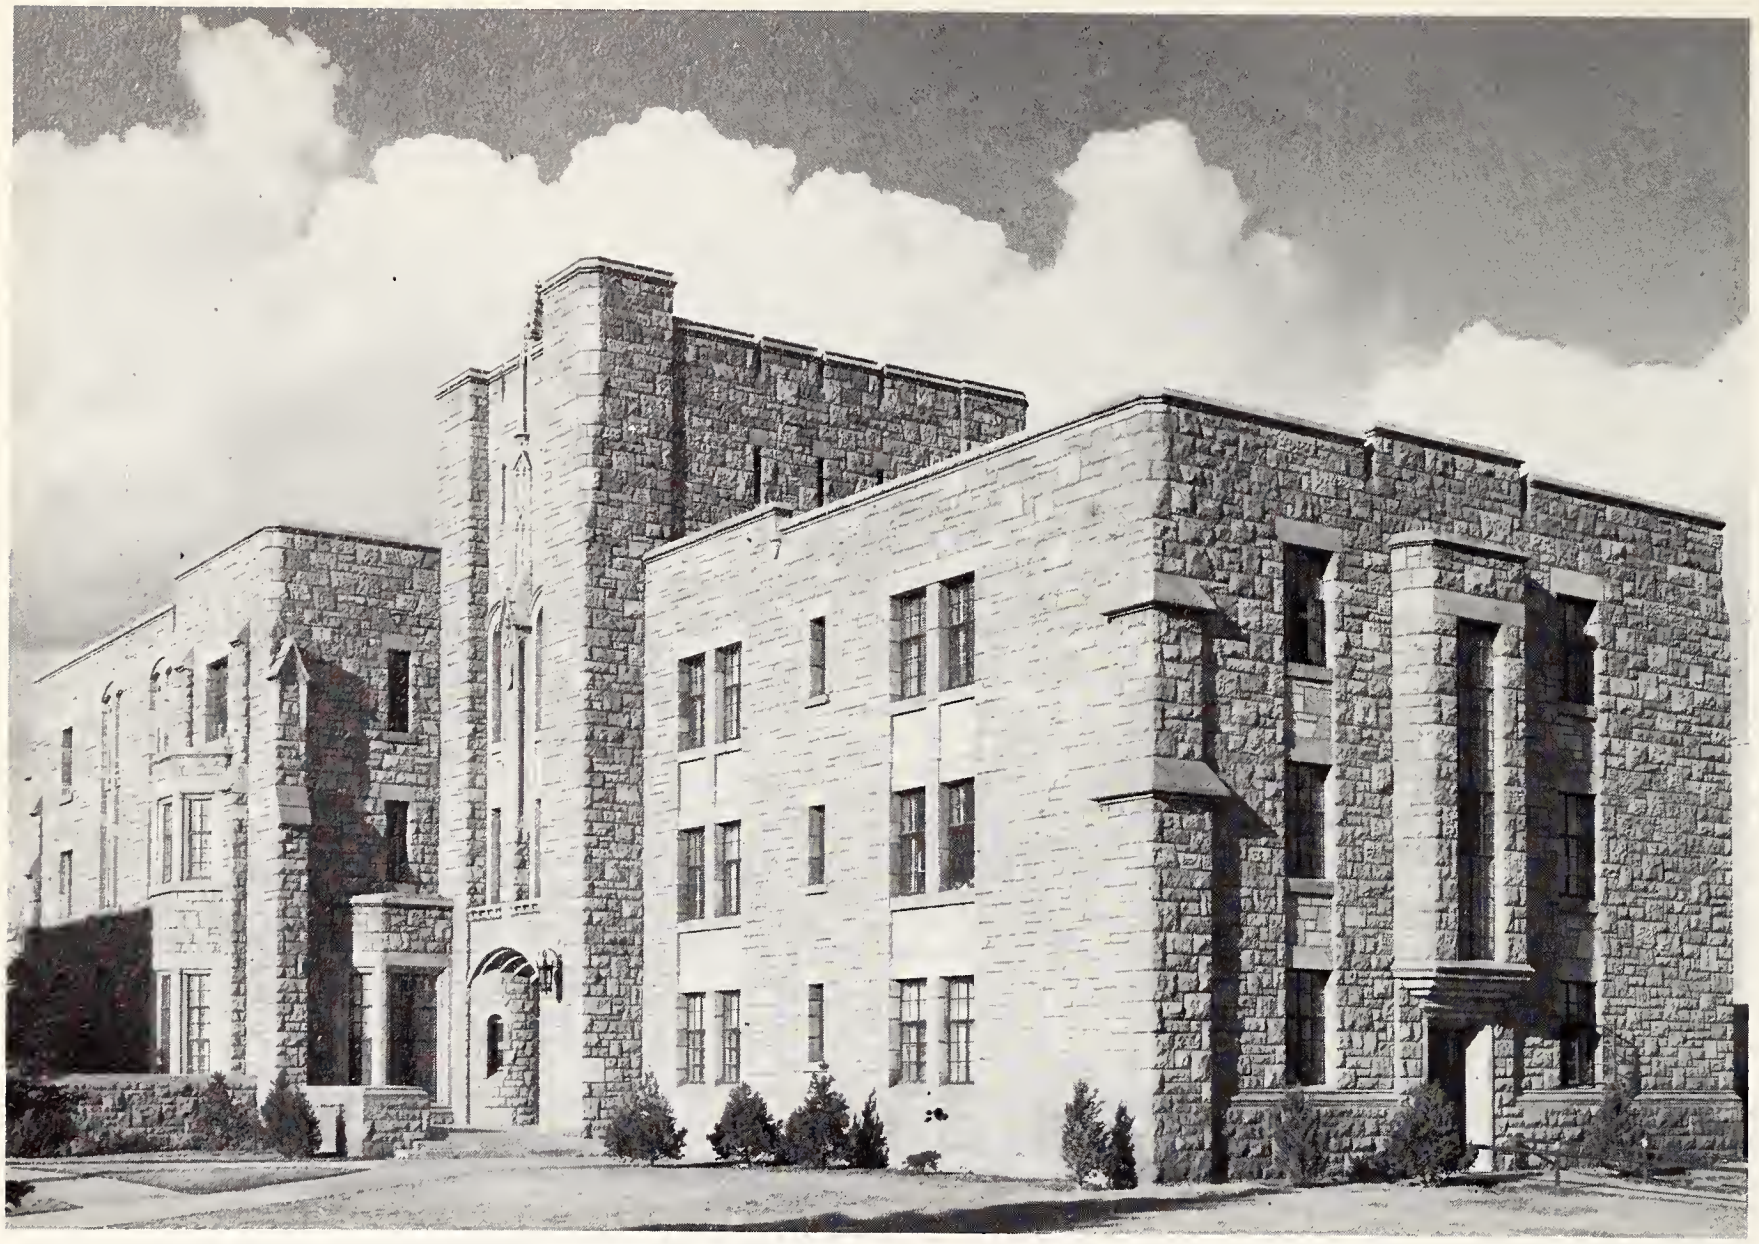
Officers of Knight Hall were: president, Lavona Burzlaff; vice president, Ann Stewart; secretary, Margenne Bertagnolli; treasurer, Claudia Cooper; senior AWS representative, Michico Numoto; freshman AWS representative, Libby Logan.

Pictured in Knight Hall Lounge are its officers, standing left to right: Lavona Burzlaff, Claudia Cooper. Sitting left to right: Margenne Bertagnolli, Miss Meiller, Ann Stewart.

Knight Hall girls while away their study time playing cards.

A familiar scene in Knight Hall rooms . . .

RESIDENCE HALL



This year for the first time, Residence Hall found its rooms filled with women instead of men. The changeover apparently was approved by the men of Wyo Hall as the two dorms worked together on the Homecoming float with which they won first place in the co-ed division. During the year Residence also had functions with Wyo to decorate for Christmas and other celebrations.

The first Residence Hall Dormitory Council included: president, Connie Freese; vice president, Lola Northrup; secretary, Jacquelyn Stevenson, treasurer, Cynthia Pinther; social chairman, Corinne Rider; assistant social chairman, Karen Joselyn; AWS representative, Kaye Powell.

Residence Hall leaders from left to right: Connie Freese, Jackie Stevenson, Lola Northrup.

Bridge, hearts, or old maid?

Oh, just sitting around and not doin' anything.

Time out for a little T.V.

ROSS HALL

Mrs. Heckendorf, dorm director

Ross Hall, named after Nellie Tayloe Ross, is the largest of the women's dorms and houses approximately four hundred girls. This year, the Rossettes sponsored such events as a Christmas party, a tea for Miss Tobin, and a style show.

Their wave of independent enthusiasm was obvious during the Homecoming festivities when Ross won in their division of the Homecoming Sing and their candidate was chosen queen. Shortly afterward, their candidate was crowned Powder River Belle.

Officers of Ross Hall included: Emily Barnes, president; Mary Ann Macy, vice president; Sheryl Yates, secretary; Carol Foltz, treasurer; Emily Moore, historian; Jeanne Frison, social chairman; Marilyn Pringle, publicity; Yvonne Renner, activities; and Eileen Schmidt, Diane Stubbs, Billie Bush, AWS representatives.

Ross Hall officers, sitting, left to right: Ann Massey, residence hall council member; Emily Barnes, on piano; Emily Moore, Yvonne Renner. Standing, left to right: Eileen Schmidt, Mary Anne Macy, Sheryl Yates, Marilyn Pringle, Jeanne Frison.

This could be the start of something grand.

No rest for the wicked.

The Interfraternity Council is the governing body for the ten fraternities on the UW campus. The council is composed of three men from each fraternity. The IFC acts to further the interests of the fraternities and to foster better cooperation and understanding among them.

Wyoming's IFC has gained national recognition for the outstanding work they have done in promoting the Greeks. A new fraternity and two colonies have been added to the list of UW fraternities in the past two years.

The IFC sponsors the annual Greek Week, in conjunction with the Panhellenic Council. The annual "Ugly Man Dance" is also put on by the IFC.

UW's IFC participates in the National Interfraternity Council and the Western Regional IFC. The organization has continually grown to a strong position of self-government. It has become recognized as a group which not only benefits the fraternities but the whole University of Wyoming.

The IFC officers this year were: John Scott, president, from SAE: Frank Sieglitz, vice president, from Sigma Nu; and Don Painter, treasurer, from Acacia.

ACACIA

The big event for the men of Acacia this year was the construction of their new house. The newest house on Fraternity Row was completed early this year, and is one of the best attractions on the campus. Socially, Acacia has three major events: the pledge dance in the fall, the "Nite on the Nile" dance held in the spring, and the spring formal. Acacia was founded on this campus in 1947. Kim Briggs led the brothers as president this year.

ATO is Wyoming's oldest national fraternity as it was founded here in 1913. Since that lucky year the Taus have progressed in scholarship, athletics, and activities. Presently the fraternity has outstanding members in Senate, Phi Epsilon Phi and other honoraries. The Alpha Taus also enjoy the reputation of having some of the most memorable dances which include The Shipwreck Dance, with imported sawdust, the Bowry Ball, with bottles of imports, and the Sack Dance, with their dates arriving in tomato sacks. Gene Bagley led the brothers in another successful year.

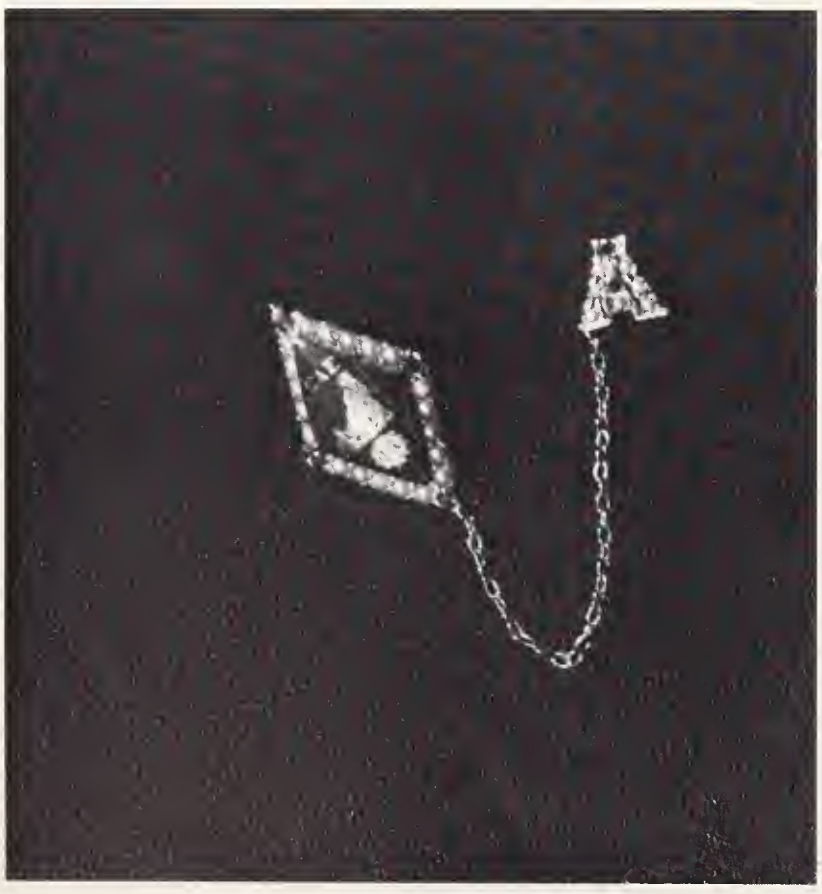
Sigma Alpha Epsilon

ΣAE



Every year members of a UW fraternity turn up with beards and "We Hate Women" signs. The fraternity is, of course, Sigma Alpha Epsilon, and the reason is the Bushman's Hop. This year was no exception. In addition to growing beards, and hating women, the SAE's do have their share of campus leaders and intramural athletes. The Undertaker's Ball, Pledge Dance, Spring Formal, and the notorious Founder's Day Conclave in Denver spice up the Sig Alph's social calendar.

The Sigma Chi's are represented in every phase of campus life. The Chi's had men in Phi Beta Kappa, Who's Who, and several campus honoraries. Bob Steen, the ASUW vice president, came out of the Sigma Chi house this year. Socially the Sigma Chis have their Baby Bawl, Sweetheart Ball, Derby Days, and the Jungle Jump. Lew Markley was president of the house this year.

Sigma Nu

ΣN

Sigma Nu is known for their academic prowess, and this year was no disappointment. Besides placing very high in scholarship, the Sigma Nus did well in intramurals and campus politics. They had three men in Who's Who, four senators and John Hursh, the ASUW President. Socially the Sigma Nu calendar was also full with the pledge dance in December, which is a pajama affair, the White Rose formal, and the always well-remembered Chanticleer dance in the spring. President Dave Egolf and his men had a very good year.

The TKEs came here in 1949. Since then they have been one of the more progressive off-campus fraternities. TKEs hold places in many campus honoraries. When spring comes to the University of Wyoming, cries of "let's go for a ride" echo up and down fraternity row. Cars are out, unless they're convertibles, so new modes of transportation are needed. Here are two solutions. Nick Vuko wants to tour with only one companion, so his transportation is compact. The Sigma Nu's want to take everyone along which calls for something a little larger.

Monstrous mobilization for masses.

A mob scene? A riot? The storming of the Bastille? Sorry, it's just "pledge Saturday." It's that annual assemblage of fraternity men. Every year they gather on the Union steps, sidewalk, lawn, or anywhere they can find a little space to greet their new pledges. They traditionally congregate there early (8 o'clock or so—plenty early for a rush-week morning) Saturday. The atmosphere is always festive, the weather usually isn't. The rushees sneak into the Union through a back door, pick up their bids, and trickle out the front door only to be greeted by a large, rowdy crowd. Then they are ultimately swept away by the fraternity men to live happily ever after. The fraternity men sneak away to sleep happily ever after. After all, it was rush week.

OOPS! Wrong rush week.

Take ten for me, too, Willard.

Say, when are finals around this place?

You better lie down and rest. You look absolutely dead.

Must be Saturday morning. Look at those interesting tracks in the parking lot.

Climaxing the fall calendar of campus events were the Homecoming festivities. Veronika Petres, Ross Hall, reigned with Helen Bishop, Pi Beta Phi, and Carol Ann Christofferson, Delta Delta Delta, as her attendants.

A week's tour of the southwestern portion of the state preceded the crowning activities held at the annual Iron Skull Homecoming Sing. Accompanying the queen candidates were John Hursh, ASUW President; Jack Garrett, ASUW Senator; and Bob Steen, ASUW Vice President.

The Homecoming Queen is elected by the student body from candidates sponsored by each women's living group. Primary elections are held and the field narrowed to three finalists. Final elections are held and the results announced at the Iron Skull Homecoming Sing.

Pictured moments after the coronation are Veronika Petres and John Hursh.

Ron Salvagio, Mrs. Chenoweth and Pam Thompson look at the new Wyo Beauties.

Selecting the Wyo Beauties this year was Mrs. E. A. Chenoweth, 1948 Miss Wyoming, and first runner-up to Miss America in the same year. Mrs. Chenoweth attended the University of Wyoming as a music major and now resides in Laramie with her three daughters and husband, Dr. E. A. Chenoweth, member of the psychology department.

Mrs. Chenoweth, who has judged many beauty contests, used as her main criterion for selecting the girls regularity and proportion of facial features. She commented that there were so many good looking girls entered that it was difficult to choose.

Wyo Queen is Ginny Hadley, Pi Beta Phi; and attending Wyo Beauties are Mary Ann Materi, Delta Delta Delta; Louise Porter, Kappa Kappa Gamma; Lynn Thorpe, Kappa Kappa Gamma; and Eileen Freighny, Alpha Chi Omega. Runners-up are Sharron Clark, Alpha Chi Omega; Susie Mackey, Pi Beta Phi; Mary Thomas, Pi Beta Phi; Lana Carson, Delta Delta Delta; Sherry Rickert, Alpha Chi Omega.

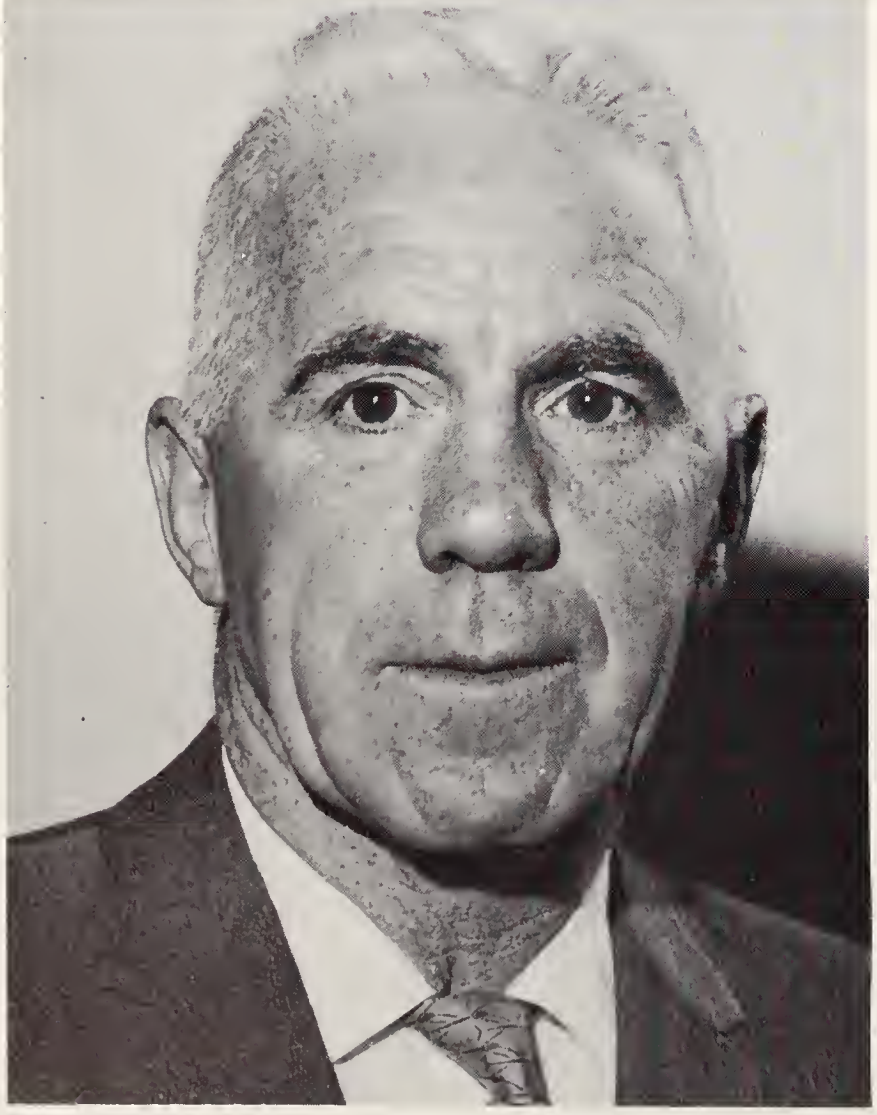
GLENN 'RED' JACOBY ATHLETIC DIRECTOR

The loyal fans, a reward of "Red's" hard work.



Possibly one of the most familiar personalities in the sports picture at Wyoming is Glenn Jacoby who, for the last 18 years, has been the athletic director. The progress of the various sports can be attributed to Jacoby as well as the organization of the physical education, recreation and athletic areas at the University. His dedicated manner towards sports cannot be overemphasized.

They are guard Bill Levine, senior from Winthrop, Mass., an All-Western Athletic Conference first team choice last year; tailback Jeff Hartman, senior from Midland, Mich., All-WAC Honorable Mention last year; and center Dick Barry, senior from Palos Park, Ill., All-WAC second team.

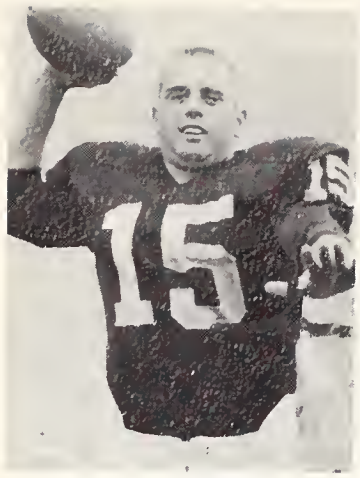
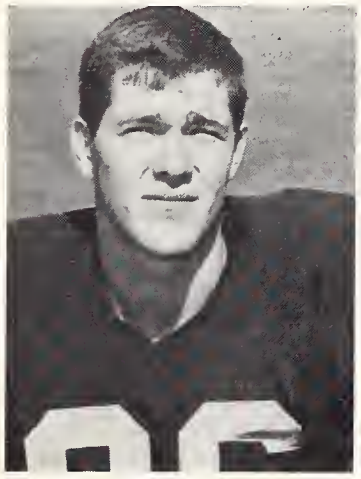
WYOMING 20, TEXAS WESTERN 6



TOM WILKINSON



DARRYL ALLEMAN

FRANK WINDHOLZ

Kicking specialist George Squires and tight end John Dowler teamed up to almost single-handedly (and footedly) bounce Texas Western, 20-6, on the Miners' first visit to Laramie.

Dowler scored his first touchdown of the season in the second quarter, taking a five-yarder from quarterback Tom Wilkinson, capping a 63-yard scoring drive. Squires added the kick.

Squires got on the scoreboard late in the third quarter with a 33-yard three-pointer that ran the margin to 10-0 over the defensive-minded Miners. A 63-yard pass and run play from Wilkinson to end Darryl Alleman set up the field goal. Late in the fourth quarter quarterback Rick Egloff found Dowler open for a 10-yard scoring strike, and Squires again added the extra point to bring up a 20-6 count over the Miners.

BILL PROUT

One of the most thrilling Cowboy and Indian episodes since the Little Big Horn was reeled off for the home folks Oct. 10, but this time the Cowboys came away with the scalp.

A 46-yard strike from quarterback Pokey Allen to end Roy Jefferson and Jefferson's conversion kick put the Utes momentarily ahead, 7-0, in the second quarter. Before the Redskins could regroup, the Pokes, led by the running of wingback Jerry Marion and fullback Don Klacking, struck 66 yards in 10 tries for the catch-up score. Squires knotted it at 7-7.

Wyoming held and got the ball on its own nine . . . 91 yards from touchdown territory with less than three minutes in the half. It took only six plays, however, to cover that 91 yards. The final 49 yards of the move were superbly handled by Wilkinson and Marion. Jerry took the toss at the Ute 27, wiggled, danced, fought and clawed his way into the end zone for the score. Squires again added the conversion . . . for what proved to be the winning point.

Utah's churning offense dominated the second half and the Skins tallied late in the third period, but Jefferson's PAT try was to the left. The fourth was a bitter struggle between the two defensive units.

Wyoming struck for touchdowns the first three times it had the ball with junior end Darryl Alleman toeing in for the first two with passes from tailback and tri-captain Jeff Hartman (13 yards) and Tom Wilkinson (54 yards). Sophomore wingback Jerry Marion added the final first period score on a twisting, dodging 19-yard sprint. George Squires toed in a 46-yard field goal, longest in Wyoming history and longest of the Western Athletic Conference, in the second period. The final tally came in the third quarter when sophomore fullback Mike Davenport exploded through the Rams for 35 yards.

Stung by a Cougar touchdown midway in the first quarter, the Pokes immediately surged 78 yards in 12 plays with quarterback Tom Wilkinson keeping the final three. The conversion attempt by George Squires was blocked.

Still trailing 7-6 at halftime, the Cowboys stormed back in the third with a 54-yarder—triggered by quarterback Rick Egloff's theft of a WSU pass. Tailback Jeff Hartman boomed into the end zone from three yards out, and Egloff hit end Darryl Alleman for the two-point conversion. Tackle Harry Reed set up the next Wyoming score as he took a Cougar fumble in mid-air and rambled 24 yards to the WSU 6. From there it took two plays with Hartman crashing the final two.

The final touchdown came with 10 seconds left as Wilkinson exploded a 35-yard bomb to end Bill Prout.

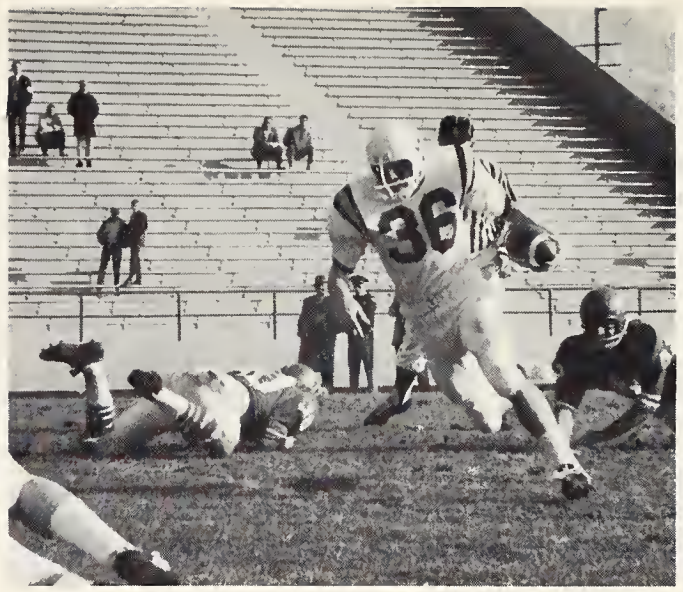
The Cowboys took the opening kickoff and sped 74 yards for their first score. George Squires side-saddled a 23-yard field goal to get Wyoming on the scoreboard first.

Scintillating Gale Sayers, the KU All-American, put Kansas ahead for the only time in the game, 7-3, with an electrifying 82-yard run after the Cowboys had driven to the KU 18.

The Pokes scored the first time they gained the ball in the third quarter. Quarterback Rick Egloff set up the scoring drive with a 42-yard return of a Jayhawker punt. Quarterback Tom Wilkinson passed 19 yards, while falling, to Jerry Marion, who threaded his way to the KU one. From there Wilkinson took two turns with the keeper for the score. The Jayhawkers got their second touchdown in the fading moments of the game.

WYOMING 6, NEW MEXICO 17



Fired-up New Mexico, gunning for its third straight Western Athletic Conference championship, measured the Cowpokes for their second loss of the campaign at Homecoming. Almost 30 minutes of bruising defensive play ticked by before the Lobos drew first blood.

Quarterback Chuck Shelton dropped on a Lobo fumble at the New Mexico 10, and two plays later tailback Bill Dodd turned the corner for the score. The pass for the two-point conversion went astray and the Lobos got away with a 17-6 decision.

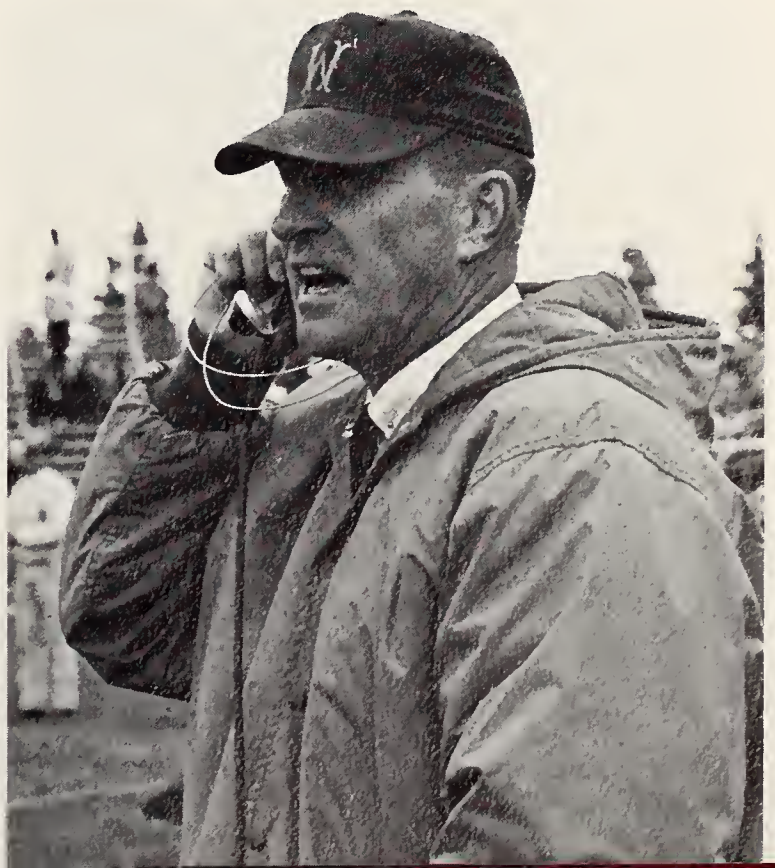
HEAD COACH LLOYD EATON

Coach Eaton earned a national reputation as a defensive mastermind in his five years as assistant under Bob Devaney before taking over in February 1962. During that span Wyoming was one of the top defensive teams in the nation ranking in the top 10 three times and leading all major colleges in defense in 1960.

A dynamic enthusiasm that rubs off on his youthful staff, players, and fans alike characterizes Eaton method. He teaches sound, hard-knocking football that pays off on the playing field as well as off.



WYOMING COWBOY SOCCER TEAM IN ACTION

Good foot work is a must in every Soccer game.

These two men are real Wyoming enthusiasts — Mr. George Squires, father of Wyoming lettermen Rodney and George, and Coach "Scotty Macmillan" who has improved the team record.

The Wyoming soccer team played CU, DU, CSU, Colorado college, and Colorado School of Mines. They improved their standing by having a 2-3 record. This is much better than the previous year. Lettermen for the 1964 Season include Larry Jeffries, Rodney Squires, Dennis Haines, Greg Engstrom, Jaimi Callacio, Mike Buckles, Harry Bilop, Hassain Ale, Luis Palas, Denny Skirrow and Gilad Weingarten.

Head Coach Bill Strannigan.

BASKETBALL COACHES HAVE SUCCESSFUL SEASON

Bill Strannigan has for the past six seasons served as head coach of the UW basketball team. Working with him has been Assistant Coach Moe Radovich, who is also head coach of the freshman basketball team.

These two men have done a great job of developing the amazing potential of our Poke cagers — they can certainly be proud of their record!

FLYNN ROBINSON SURPASSES THE 2,000 MARK

Robinson, who set more than a dozen school scoring records at Wyoming, was the top scorer on the team with an average of 28 points a game. He tallied 2,049 points in a three-year career at Laramie—becoming the 20th collegian in history to surpass the 2,000 mark.

The Cowboy stars share in all the action.

POKES DEFEAT NATION'S 10th RANKED TEAM

The Pokes stunned the nation's leading defensive team, New Mexico, for the second time this year by winning 83-65.

The Cowboys dominated the entire game as they wrecked the Lobos' defense and threw up a rough defense of their own.

Four Pokes scored in double figures. Leon Clark scored 20 to lead in that department, followed by Flynn Robinson with 19, Randy Richardson with 15, and Paul Homar with 13.

POKES 74, FALCONS 71

Wyoming had to fight down to the wire to defeat an upset-minded Air Force Academy 74-71.

The Cowboys were behind by as much as 10 points in the first half and trailed by four at half-time, but surged to a 44-42 lead with 16:27 left in the second period.

Wyoming was ahead 72-71 with 56 seconds to go when AFA got the ball and tried to work in for a good shot. A shot from the free throw line was missed and the Pokes rebounded. Tom Asbury hit the final basket.

Record crowds attended the Wyoming home games this season. The total attendance at this season's basketball games was the second largest home audience since Memorial Fieldhouse was first used in 1951-52.

A season high of 6,141 persons watched the 83-63 win over New Mexico, and 4,583 turned out for the 74-71 win over Air Force to boost the year's total to 59,073.

The total is second only to the 78,873 who saw the first 16 home games in the Fieldhouse. The increase is 8,969 over last year's 50,377.

QUARTERBACK CLUB HONORS THE COWBOYS AND COACH

Wyoming's cagers and coach Bill Strannigan were honored guests at a Cheyenne Quarterback Club banquet in Cheyenne at the end of the season.

The Cowboys completed their first winning season in 10 years with a 16-10 record. They finished in a three-way tie for second place in the Western Athletic Conference.

The 16 wins were the most since the 1954-55 campaign when the Pokes posted a 17-9 mark.

It also marked the first wining season for Strannigan since his return to the Cowboy campus as head coach.

Among the 14-player squad honored were four seniors. The four who climaxed their college career Saturday against Utah included Flynn Robinson, Paul Homar, Randy Richardson and Steve Frenchik.

Other members of the 1964-65 edition included Dick Sherman, Leon Clark, Gordy Westhoff, Reuben Poindexter, Tom Shields and Dick Wilkinson, juniors; and Tom Asbury, Lane Brown, George Peck and Paul Rayko, sophomores.

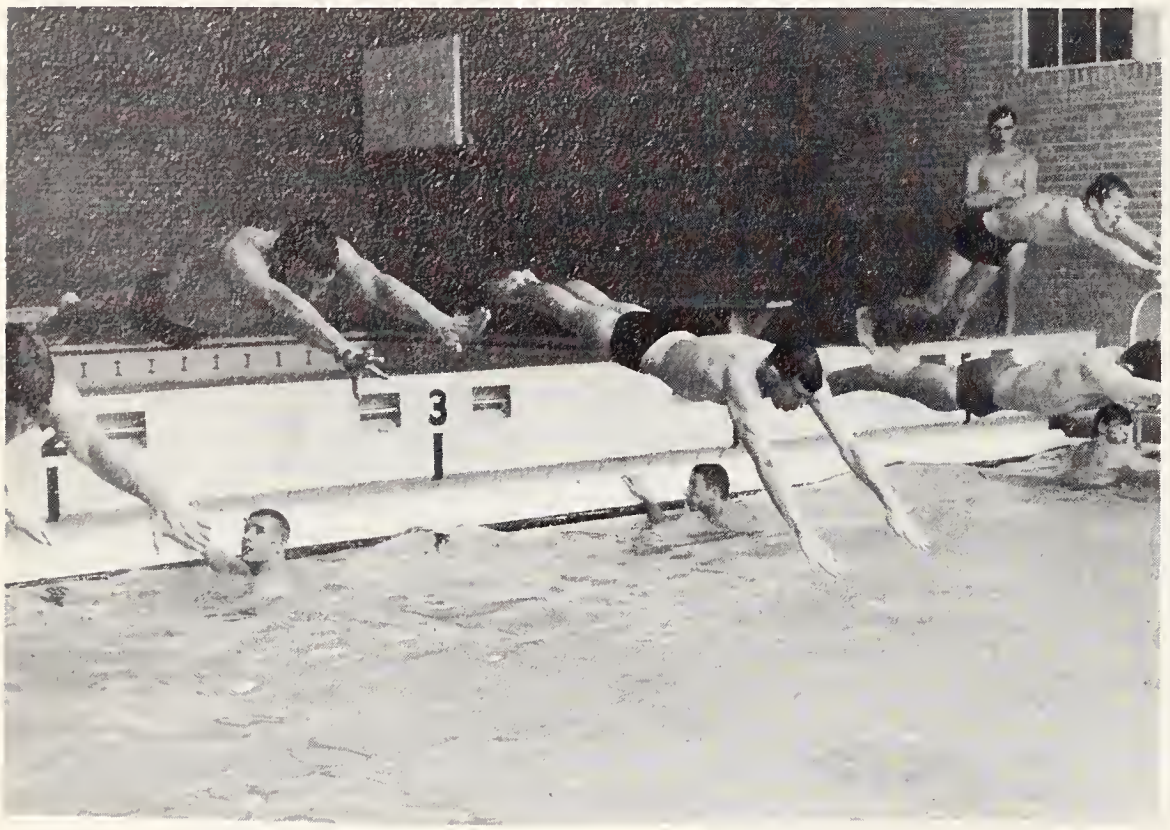
SWIMMERS DEFEAT ARIZONA AND ASU



Cowboy swimmers get a good start.

Wyoming owns two victories over WAC foe ASU and one against Arizona University. League losses were to defending champion Utah and runner-up New Mexico.

The Cowpokes will be represented at the WAC finals by Gary Defraene, breastroke; Dick Fisher, butterfly and freestyle; A. J. Kontrick, breastroke; Paul Maynard, freestyle; Tim Niland, freestyle and individual medley; and Mike White, diving; and John Ploehn, backstroke; and Bruce Gresley, diving.

Wyoming's hopes for victory will be placed on the shoulders of Ploehn and Gresley, the most consistant Poke Swimmers. Ploehn owns the Wyoming pool record as well as the University record in the 200-yard backstroke. Gresley has won the diving event in every meet this winter except two.

Mike White shows good form.

WYOMING SALUTES DR. EVERETT LANTZ

After 38 successful years, Dr. Everett Lantz is retiring as head coach of U. W.'s wrestling team. In 1927 when Dr. Lantz began his career, the Wyoming wrestlers were ranked very low in the conference. Since then, his grapplers have never fallen below second in the conference. This is, indeed, a commendable record.

Not only is Dr. Lantz an excellent coach, but his concern for education and desire to improve the educational processes is recognized by all.

The abilities, enthusiasm, and determination are only a few of his many outstanding qualities. Dr. Everett Lantz!

Lantz is nationally known and respected. In 1960 he received the Coach of the Year Award. This winter he was elected to the National Hall of Fame.

Lantz's winning record and many accomplishments are a record to be proud of. Congratulations, Dr. Evertt Lantz!

COWBOY SKIERS HIT THE SLOPES

Wyoming ski jumper Jay Martin qualified for the NCAA by beating last year's co-champions Erick Jansen from D. U. and Bassey Pritz from Utah University. Jay, a 1964 Olympian, helped Wyoming to ski victories over the Air Force Academy, Fort Lewis College, Utah State University, Yampa Valley College, Colorado Mines, Brigham Young University, and Nevada University. Wyoming skied behind Denver University, Colorado University, Utah University, and Western State College of Colorado. The outlook for the future looks good with the prospects of a ski jump in the Happy Jack Ski Area. The UW frosh are as good as any in the conference and next year the team should show a big improvement in the standings.

COWBOY CO-CAPTAINS SEE LAST YEAR OF ACTION

Coach John Cress's only seniors are his co-captains Denny Carruth and Jon Elliott. Next year's seniors who have shown outstanding ability are Larry Jeffries, Larry Yager, Jim Henderson, and Bob Birk. Competing in college competition for the first time this year were Jay Martin, Mike Kirol, and Tim Armstrong. Freshman team members unable to compete this year in intercollegiate action were Mark Anderson, Jere Elliott, Dave Jennings, Erik Piene, and Ed Schnackenberg.

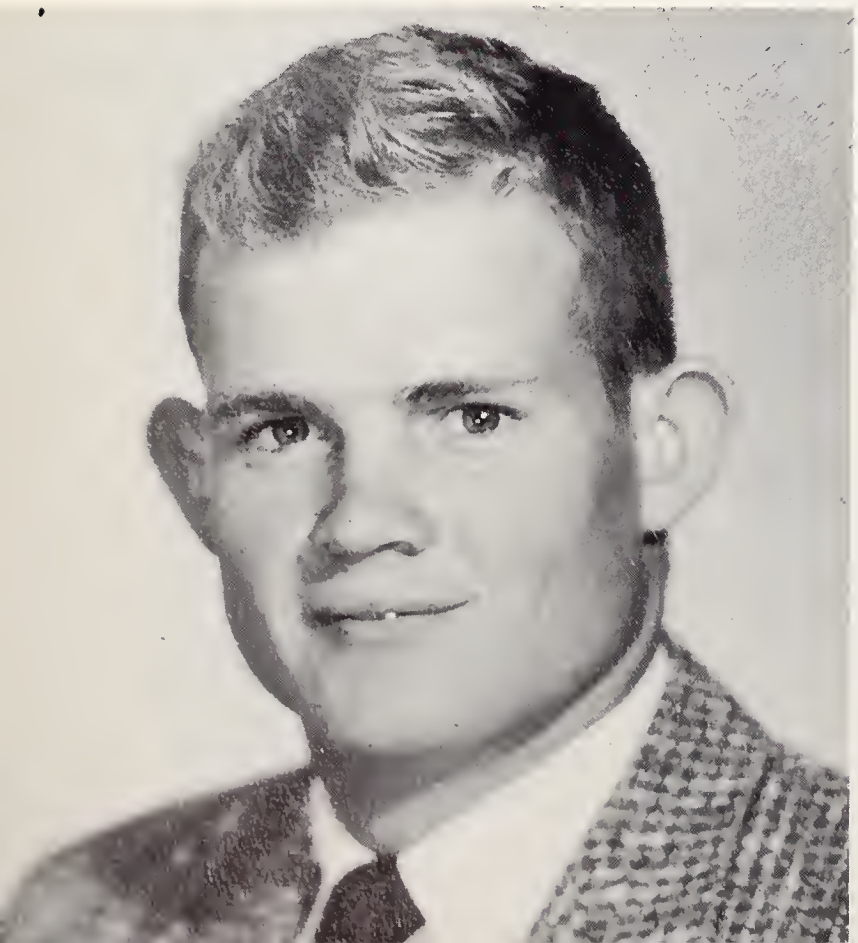
Row 1: Mike Gregario, John Williams, Harry Biloff. Row 2: Charles Pell, Ken Mackay, Doug MacDonald, John Finley.



The cross country team had a very successful year, never finishing below second place. In the WAC Conference they placed second with Mike Gregario running for the Pokes and finishing sixth in the conference. Biloff, Finley, MacDonald and Pell were close behind. Biloff and MacDonald placed 39th and 100th in the NCAA championships in a field of over 300.

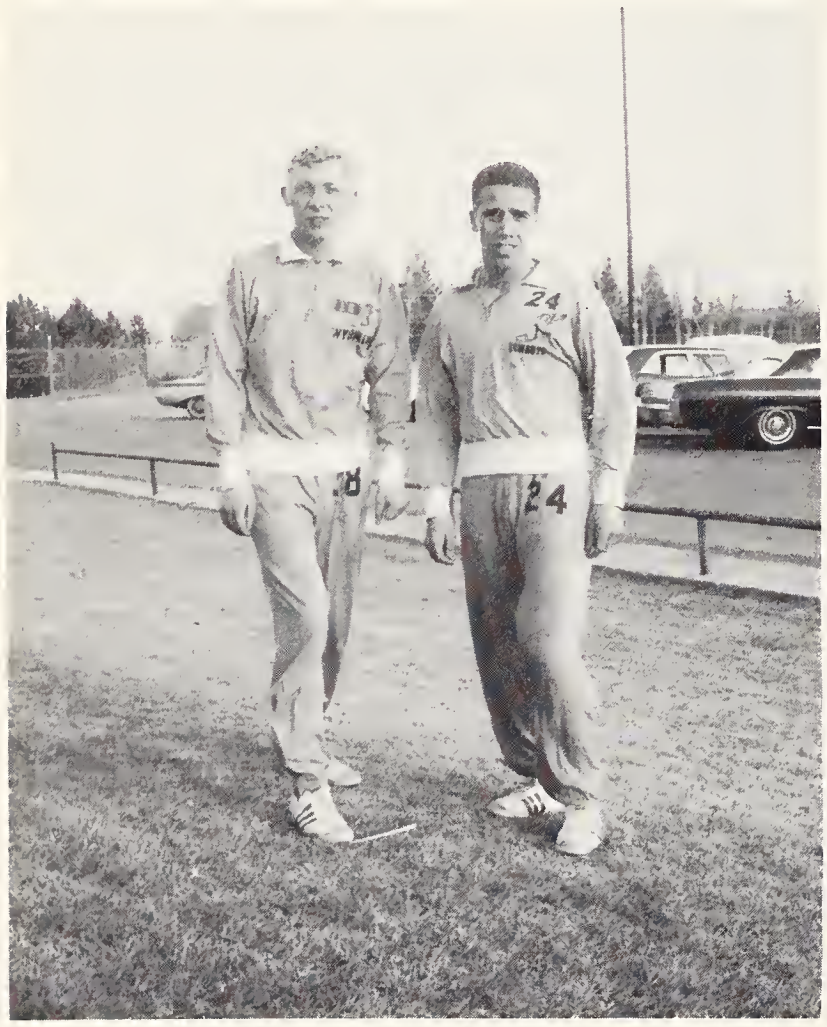
Jerry Saffell, high hurdle and intermediate hurdle record holder, sprints across the finish line at the C.U. Indoor in a record time.

SCHOOL RECORD BROKEN

The WYO 440 relay team set a new school record at the Howard Wood Relays in Sioux Falls. Each team member did an outstanding job to bring the victory to the Pokes. Members of the team include: Herman Robinson, Jerry Saffell, Louie Pfrangle, and George Mitcham.

Distance Runners Set Pace for Track Team



Harry Biloff and Mike Gregario give Wyoming 1-2 punch in two mile run. Biloff, left, holds Wyoming's two-mile record with a time of 9:27.1. Gregario placed first for the Pokes in the WAC championships.

Doug McDonald, NCAA hopeful for Wyoming, placed third in WAC Conference as a freshman and first in the CU Indoor. He is rated potentially one of the best in the nation.

Gideon Ariel and Gillard Wiengarten discuss Ariel's participation in the 1964 Olympics.

CHARLIE THOMAS VS. 26 FEET

Charlie Thomas, sophomore from Denver, ranks high in national competition. Thomas, who broke the Wyoming University record as a frosh, has continued to excell. On March 13 he recorded a leap of 25 feet 8¼ inches to establish a new meet record. The jump is the best collegiate indoor jump in the nation for 1964-1965.

METRO AND HOLIDAY STRIVE FOR 15 FEET

Bud Metro, foreground, holds the Wyoming pole vault record of 14 feet, 1 inch which he set as a freshman at Sioux Falls. Cook Holiday, who placed in the National Junior College Championship, is on his way to a good season. Both boys have a great potential and the competition should be keen.

READY TO SEE ACTION

Coach Bud Daniel's Pokes opened the 1965 season with their annual baseball trip into Arizona territory where the baseballers met some of the toughest competition in the country from the Arizona colleges. Coach Daniel's Cowboys also had an opportunity to wath some of the major league teams in action during their spring training camps in the Mesa-Scottsdale area. The Cowboys managed to win only one of their first five ball games on the Southwestern tour as Arizona pitching kept the bats silent.

The Cowboys had 15 lettermen. They were also bolstered by a pair of junior college transfers and some "hot" prospects up from the 1964 frosh team.

Jerry Marion is congratulated by teammates for a homerun.

The 1964 tennis team had an excellent season and was one of the few teams who ended the season with a winning record.

Coach Hardy Rollins has two returning lettermen, Stein Owre and Kent Lauson, on his 1965 team. Junior college transfers including Jim Bacon, Mike Adams, and Richard Grahm, in addition to Gary Einspahr and Jamie Callacio complete his team. PEPSTERS CREATE ENTHUSIASM FOR POKES

The Pepsters had an exciting year supporting the Cowboys. During the football season, the Pepsters attended all but two games, beginning with the University of Kansas game. There they met with alumnae for a banquet. Following the KU game, they accompanied Cowboy Joe to Utah State and the band to the Air Force Academy. The climax of the season was supporting the Cowboys in their victory at Brigham Young University.

The Pepsters were also very proud to support our Cowboy basketball team in its successful season.

WYO EDITOR

Tense decisions were a frequent occurrence

The Wyo staff started the year by moving to new offices on the top floor of the Union. The first project for the staff was working on the individual student pictures. The first few months of school the staff members spent many extra hours cutting, pasting and filing these pictures. Next came the major problem of meeting deadlines for each individual section. The unsung heroes of the Wyo staff have been the copy and layout editors who could usually be found working late Saturdays and Wednesdays.

Ron Salvagio has been the hardworking editor for this year. This is his second year on the staff. A senior in Accounting, Ron is a member of Sigma Nu fraternity, Phi Epsilon Phi, Omicron Delta Kappa, Scabbard and Blade and an ASUW Senator-at-large. He was a member of the varsity baseball team from 1961 to 1963. Ron managed to maintain his sanity throughout the year in spite of the fact that all but one of his staff members were girls.

BRANDING IRON EDITORS

The average reader of the Branding Iron rarely realizes the amount of work that goes into the publication of the student newspaper. Besides reporting the weekly news and activities the BI brings to light many controversial issues during the year. The staff members keep late hours on Tuesday and Wednesday nights putting the final touches to the week's publication. On Friday they are able to relax a little and reflect on a job well done. Last year the Branding Iron won the Rocky Mountain Collegiate Press Association Award for the best college newspaper in the Rocky Mountain area.

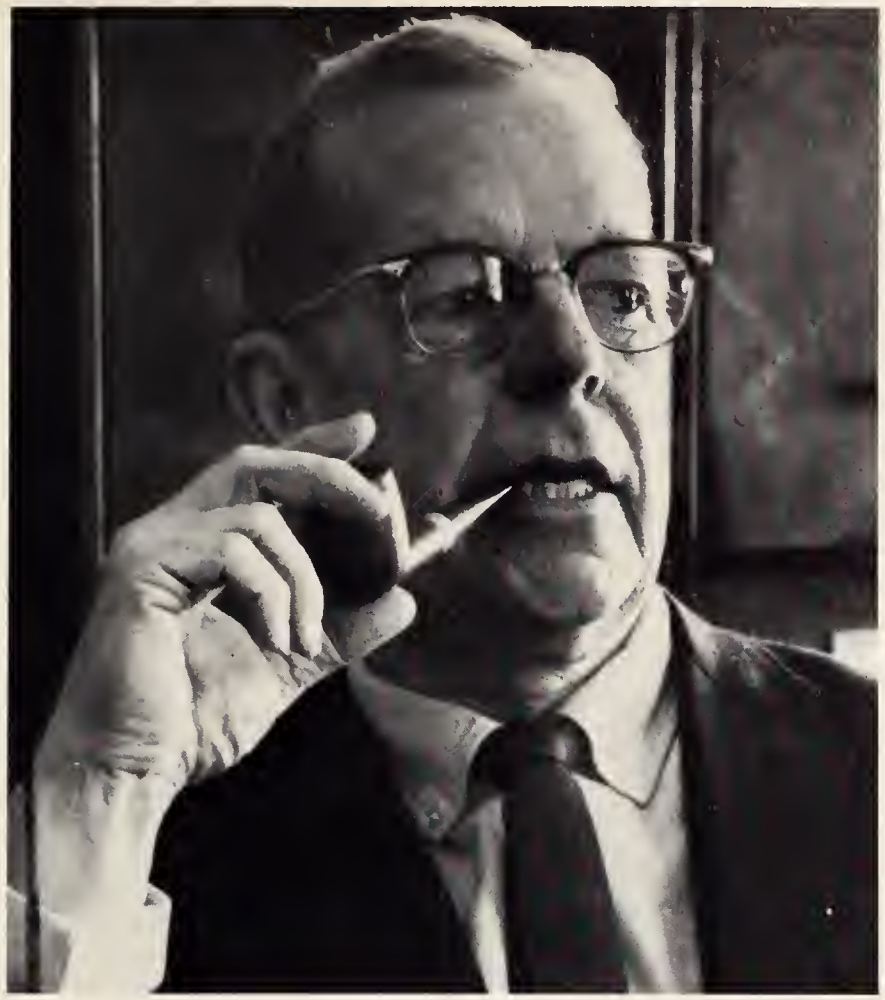
WYO AND BI ADVISORS



Mr. Wallace Biggs
Journalism Department Head

Professor Wallace R. Biggs came to the University of Wyoming in 1946, when journalism was taught in the English department. Two years later, when journalism became a separate part of the Arts and Sciences College, Mr. Biggs became department head. His guidance is reflected in both the Bronding Iron newspaper and the Wyo annual.

After a year's leave of absence to the Far East as an annual staff advisor, Dr. Milner returned to the University to resume his position of Wyo Annual advisor. Receiving his Doctorate Degree at the University of Wyoming in the College of Education, Dr. Milner has remained here at the University in the journalism department for several years.

Dr. Joseph Milner
Wyo Staff Advisor

Harry Ritter, assistant professor of journalism, serves as technical advisor to the Branding Iron Newspaper. Before coming to the University, Mr. Ritter spent 10 years in the working press and taught journalism at the University of Kentucky and Texas A & M. Mr. Ritter is also the managing editor of the Wyoming Press Magazine.

ARCHITECTURAL ENGINEERS OF UNIVERSITY OF WYOMING

Field trips, films and lectures are some of the varied activities of the Architectural Engineers of the University of Wyoming. The present organization, founded in September of 1944, is an affiliate of the national association.

A.E.U.W. has grown successfully in the last few years as evidenced by the fact that Alan Keimig and Arnold Cross were delegated to go to the Tenth Annual Forum of the American Institute of Architecture in Washington, D.C.

The members of this group benefit from its monthly meetings by advancing their knowledge of architecture, acquainting themselves with the personnel of the profession and studying the principles of design.

The Agricultural Council of the College of Agriculture was organized in 1962 to assist in and coordinate agricultural functions. Its main purpose is to conduct elections of senators from the College of Agriculture. The council also assisted with the Little International and Farm Bureau and Recruitment Days.

The council functions chiefly in an administrative capacity, organizing and sanctioning activities. It is supported by personal assessment. Assessments are used to finance judging teams.

Members of the council are elected or appointed by each individual Agricultural organization. The College of Agriculture Senators are ex-officio members.

AGRICULTURE CLUB

Cowboy Joe's guardians, otherwise known as the Ag Club, assure UW students of the presence of thier beloved mascot at all football games. Cowboy Joe II will be retired this year to his "greener pasture" after strenuous years of grid-iron-circling and grass-cropping. In his place, Ag Club members will be readying Joe III a carbon-copy of this year's veteran.

In addition to their role as guardians, the Ag Club annually sponsors the rip-roaring Little International Rodeo, in which contestants vie for honors in events from egg-toss to bucking barrel. The purpose of the club is to create men and promote agriculture; and bi-monthly meetings include programs to this end.

The club's purpose is to promote an active interest in politics and advance the causes of the Democratic Party. This year they helped campaign in Wyoming for the Democratic victories. Since 1945 the Y.D.'s have been active on the UW campus.

YOUNG REPUBLICANS

Vice presidential nominee William Miller spoke at the UW campus last fall as part of his campaign tour. His appearance was widely supported by the YRs who were also very helpful to the Republican Party through door-to-door campaigning, registering of voters, and taking people to the polls.

The purpose of the club is mainly informative, forwarding the ideals of the Republican Party, and helping to train UW students as qualified, informed voters. Informal talks and discussion periods led by such state party leaders as William Henry Harrison, John Wold, and Stan Hathaway were sponsored by the organization.

DEPUTY

Deputy Debs perform in bright red Valentine

Our motto is physical fitness.

A new treat was in store for UW football fans at half-time shows this year when the Deputy Debs marched onto the field. Organized in spring of 1964, this group of pretty legs captivated half-time audiences at football and basketball games with precision drills and routines during their first performing season.

In conjunction with Student Senate, Joan Selmer, head twirler of the UW marching band, and Joyce Moses were the initial organizers of the drill team. The purposes of the organization were defined as follows: To perform a service to the U of W, its athletic teams, and to the community of Laramie; to develop skill in working as team members; to develop physical fitness, body control and grace; and to develop sportsmanship and respect for rules.

Under the direction of Dee Wellman, team captain, the Debs performed routines including novelty dance numbers, military drills, pom-pom routines, flash light drills, and rope twirling numbers. Special events were meeting the Treagle Train and a trip

dresses at half time of a basketball game.

to the Air Force Academy where the Debs stole the show from the famed Air Force Falcons.

The girls appeared in snappy western outfits of brown and gold, accented by white western hats and white gloves.

This being the original team, it selected its own name, its own uniforms, and wrote its own governing constitution. The traditions established this first year will set the pattern for future groups.

Members of the National Society of Scabbard and Blade are chosen on the sole basis of merit from cadets in the Advanced Army ROTC program.

Purposes of Scabbard and Blade are to raise the standard of military education; and to promote friendship and good fellowship among the cadet officers. Activities include sponsorship of Corpettes, co-sponsor of the Military Ball with Arnold Air Society, ushering at athletic events, raising of Old Glory at all home football games, and participation in Governor's Day. Guiding these activities was Cadet Captain Kevin E. Talbot.

Glenda Lancaster, Sponsor Commander, directed the activities of the Corpettes which included participation in drill meets, drill exhibitions, homecoming and Veteran's Day parades; ushering at athletic events, and acting as hostesses at teas and commissioning exercises.

AIR FORCE ROTC

The first two years of a basic cadet's enrollment in Air Force ROTC are designed to develop in him an interest and understanding of the importance of Aerospace Forces and to provide him a sound foundation for either a potential career as an Air Force Officer or as an informed citizen. Once a cadet has chosen to enter Advanced AFROTC and has successfully met the intellectual and physical qualifications, he is given a thorough education in the principles of leadership and management required to produce outstanding officers. Upon receiving his degree, the cadet is commissioned a Lieutenant in the United States Air Force and begins his career as an Air Force Officer.

The Air Force encourages each individual cadet to select a field of duty which most interests him and best fits his collegiate academic background. Upon entering the Air Force, the cadet usually finds his academic background is augmented by direct experience in his chosen profession. Another area available to the qualified AFROTC graduate is the Flying Training Program which offers another challenging career field. The University and the Air Force through the AFROTC program work together to produce the leadership necessary to meet the challenges of today's world.

The purpose of Arnold Air Society as a professional honorary service organization is to provide further training for advanced AFROTC cadets who wish to make a career of the Air Force.

Each year Arnold Air Society is a co-host for the Military Ball at which time their queen is presented. It also sponsors Angel Flight which is a girls' auxiliary group. This year the society held an area conclave on the UW campus for schools from Montana, Colorado and Utah.

The feminine side of the Air Force ROTC program is represented by 30 lovely young ladies who comprise the Edward S. McKinney Angel Flight.

The Angel Flight is organized to advance and promote interest in the USAF; to become familiar with the objectives of the AFROTC and the military services; to aid and support the Edward S. McKinney Squadron of the Arnold Air Society in accomplishing their objectives; and to aid their own members in developing leadership and wholesome social experience.

They participate in Drill meets and basketball games; co-sponsor a basketball game with the Corpettes; usher at athletic events; and sponsor a yearly fashion show and money-making projects. The highlight of their year is the Military Ball, at which Arnold Air Force choses their queen.
